

Program Suggestions for Children's Activity Scholarships

It is our intention to enable parents to send their kids to the program that best fits their needs and interests. This list of suggestions is by no means a comprehensive list of everything available in our community. Feel free to research these as well as any others you may know of to make your choice. Some of the programs listed below are partnering with us by offering us a discounted price.

Re-built **Bicycles** for all ages, pay if you can, 0-\$100 donation.

Lake City Bicycle Collective www.lcpcbikes.com LCBC is open to the public. You do not need a referral from us to go pick out a bike! If you do go, tell them you heard about them through CDAIDE.

On-going classes: *Often young people are excited to try something new and challenging, and it is wonderful to be able to give them the opportunity to do so. Within the limits of our funding, we are willing to provide on-going assistance when interest is sustained. Initially, we would fund for 3 months and take the opportunity to re-assess interest and participation after that time. For safety and liability, we will only assist with classes in a public setting vs an instructor who comes to the home.*
